

“THE BUZZ”

February, 2026

Glory Bee's Sewing Center

Hello to all our customers and happy Valentine's month! We hope you are enjoying some wonderful sewing time inside on these chilly winter days. Make certain you check out our list of classes for February, and we have some new fabric arrivals that may inspire you to use a favorite pattern or try out a new one. We are always happy to see your projects, so stop in soon!

RECENT
CLASSES

Participants in one of our Embroidery Clubs recently made these lovely table toppers. All of our clubs are designed to develop skills and demonstrate techniques that will enhance your sewing experience. Congratulations to these club members on some wonderful winter-themed toppers!

These colorful and handy fabric organizers were made in our Sewing Clubs. They are so versatile!—you can use them for sewing notions, office supplies, jewelry, etc. They were quick and easy to make—some participants made several as they make wonderful gifts!

We have some delightful new fabrics from Benartex called “**Wishflower**”. This collection features lively, bold colors with large motifs that would be perfect for a variety of projects- think larger blocks quilts, tote bags, pillows, etc. Working with these fabrics will certainly brighten your day! Stop in to see them soon.

NOTION
OF THE MONTH

Some of our projects require hand sewing both for construction and finishing. This pack of **3 Needle Threaders** by *Dritz* will certainly make the sewing easier. Mention that you saw this item in *The Buzz*, and receive a **10% discount** off the regular price.

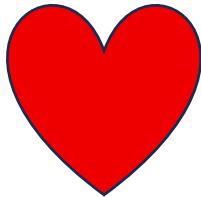

SERVICE CENTER SUGGESTION

Chuck, our Service Center Manager, reminds us that it is not enough just to clean out the inside of the bobbin case while it is in your

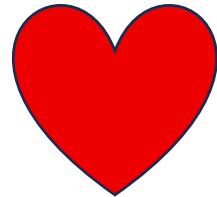

machine. You should also remove the case to clean out under and around it. How frequently you do this depends on how much you are using your machine and the type of fabric you are using. This simple procedure can help prevent inconsistent stitching and needle strikes on your bobbin case. If you have any questions concerning this, please do not hesitate to contact Chuck here in the shop.

DEB'S
TIP

It is so important to use the correct stabilizer with your embroidery projects. There are wash aways, tear aways, cut aways, sticky, and non-sticky! Your project pattern should have information on the correct one to use, and it will make a great difference in the appearance of your finished project. If you have any questions or concerns about using stabilizer, please contact the shop—we will be delighted to help you.

FEBRUARY CLASSES

CLUB CLASSES
